I certify that I am the legal guardian of Beverly Reynolds Minshew and have been since the late summer of 1974.

I did not learn about Beverly being arrested by the Floyd County Sheriff's Department on the evening of June 27, 1975, until Saturday morning, June 28, 1975. I did not find out about Beverly's arrest until I was told by my mother. My mother had been called by Beverly from the Floyd County Jail.

As Beverly's legal guardian, I was never contacted in any manner by the Floyd County Sheriff's Department, any of the deputies or by Sheriff Lynn Garner about Beverly being arrested.

After my mother told me about Beverly's arrest, I called the Floyd County Jail and was told that I could not see Beverly or talk to her. I told the person at the Jail I was talking with that Beverly had just turned 16 that day and that she was still a juvenile and in my legal custody. However, I was told by the Floyd County Sheriff's Office that I still could not see Beverly.

I did not see Beverly until she got out of jail, when her sister, Charlotte, signed her bond about three days later on Tuesday, July 1.
