

I am writing this affidavit for District attorney Steve Lanier about the death of Grace Reeves.

Sometimes in the year of 1975 Beverly Reynolds made the statement in my presence that maybe the gun was buried ^{with} ~~my~~ my mama. She also said this in front of her aunt yvonne Reynolds and she told her to shut ur mouth or she would knock her eeth out.

I Shirley Reynolds have also heard Beverly have night mares about her mother Grace. She would wake up saying I am sorry mama, I didn't mean for this to happen.

Shirley Reynolds had also talked to Grace the day before she was killed that night. She said that her and Beverly was argueing about a guy named Newberry. "Grace said Beverly is running me crazy." Grace also said it was going to come down to it that she was going to kill Beverly or Beverly was going to kill her.

also at the funeral home a funeral director, I don't know his name, told me he could lose his job for this but there was different size wounds. Like there might have been two guns used.

~~my husband and I~~

My husband Richard Reynolds, brother of Grace Reeves and ~~is~~ Shirley Reynolds from some thing we have heard from Beverly believe the murder weapon is buried with Grace Reeves.

I Shirley Reynolds and Richard Reynolds, brother of Grace Reeves have no objections of having the body exhumed,
