

AFFIDAVIT

GEORGIA
FLOYD COUNTY,

My name is Shirley Reynolds, I am over the age of eighteen and competent to make this affidavit.

1.

I am married to Ricky Reynolds, the brother of Grace Reynolds Wade Reeves. I have been married to Ricky since 1966 and was married to him when his sister, Grace was killed.

2.

I was keeping Debbie Reynolds, Grace's daughter, in my home at the time when Grace was killed. Debbie was staying with me because Grace and Beverly, (one of her other daughters) were fighting. I had personally heard Grace and Beverly fight within a week prior to Graces death and they were fighting over a man named Newberry. I do not know Mr. Newberry's first name. Grace came to my home the day before her death and told her daughter, Debbie, that she could not come home right now because she was still fighting with Beverly.

3.

Just after Grace told Debbie that she could not come home, Grace had a private conversation with me and told me that things were so bad between herself and Beverly that either Beverly would have to kill Grace or Grace was going to end up killing Beverly.

4.

I was present at the funeral of Grace Reynolds Wade Reeves and I recall specifically that Beverly broke down and fell to the floor in the viewing area of the casket. I do not remember who all went to her assistance nor do I remember who else was around Beverly when she broke down. This occurred more than once but the final episode was at the viewing when the family came to view the body for the last time before closing the casket. I recall that Grace's ex-husband was at the funeral, Doyle Wade. I do not remember whether he sat with the family or in the friends section.

5.

Sometime after the death of Grace, I was present with Beverly and Evonne Reynolds. Evonne is the sister-in-law of Grace. The subject of Grace's death came up and Beverly stated that the gun which killed Grace could have been buried in the casket with her mother. At that time, Evonne Reynolds spoke up and told Beverly to shut up or she would bust her teeth out. Beverly had nothing else to say on the subject.

6.

I am the sister in law of Grace Reynolds Wade Reeves and I also state that I have no objection to the exhumation of her body

to search for evidence. I have no opinion on the guilt or innocence of Gary Reeves nor anyone else in the killing of Grace Reeves.
