Joey said he left Alabama at around 6:30 PM. On his motorcycle. How did he get to Rome around the Kingston

He said he was home when his parents came home a little after 7:00. He says he didn't leave till 7:20. Why did he call his parent house at 7:21?

Dr. Jory said he called his sister that maybe the call to the house ~~of~~ on the telephone at 1921 - ~~But this is prior~~ No way all of this was going on if he made calls at 1921. Police not there till 1922 - Was this ~~the~~ 2nd trip by the site?

Need the Ambulance Call sheets

Police not on scene till 7:22 ~~1921~~ 1922 why ~~the~~ was cars already set up and defiling traffic when he called his sister 1921

Why did he call Cedartown at 19:15 and 19:35 when he had said he called her before he left his house and she had called him back
