

I was coming back from Cedar town  
& saw a truck in the woods. I  
called Jandy to see what Isaac's  
truck looked like. I told her  
that I saw it in the woods  
but I didn't stop because we  
don't like each other.

This is what Opey Watkins told  
me the day of Isaac's death  
in class. Jan. 10 around 1:30
